2018 is the thirtieth year that Landcare has been active in Serpentine-Jarrahdale. The original SJ LCDC began in 1988 when a group of farmers voiced their concerns about the health of their land. The Centre is still in its inception, but we certainly have not vigorously pursued Carol’s wisdom about the future — until now.

This year the Board will have a new chair and the first term of office. This means there are benefits in continuing with what is clearly successful, but it is also time for the organisation to ‘trail blaze’ new opportunities, build on existing members and bring in new ones with new ideas — and different perspectives that Carol envisaged. I encourage you to seize this opportunity to help take Landcare S-J Inc for all of these 16 years and 2018 is the thirtieth year that Landcare has been active in Serpentine-Jarrahdale. The original SJ LCDC began in 1988 when a group of farmers voiced their concerns about the health of their land.
