Landcare SJ Inc Association membership application

1. Membership of Landcare SJ Inc is open to any person who is either actively involved in, or who wishes to become actively involved in Landcare, Bushcare or Catchment care activities in the region or who supports the objects of the Association.
2. The Landcare SJ Inc Board shall consider each application at the next scheduled Board meeting after the date of receipt of the application for membership and will determine whether to admit that person to membership or not. In no case shall the Board be required to give any reason for the rejection of an applicant.
3. An applicant will be notified in writing by the Secretary of the Association within seven days of the Board's decision to accept or reject their aforementioned application for membership.

All nominators and seconders must be current members of Landcare SJ Inc.
