Landcare SJ inc Annual Report 2023/24

Acknowledgement of Country

LandcareSJ Inc. recognise the Binjareb people as the Traditional Custodians of the Land on which we meet and work. We pay our respects to all Elders past, present and emerging.

Some of the activities undertaken by Landcare SJ.....

In the first half of the 2023/24 financial year Landcare SJ has supported community revegetation efforts and completed a volunteer community Cockatube® workshop.

Landcare SJ is delivering State NRM Projects for the management of local reserves (Cardup Reserve and Gooralong Brook). The Cardup Reserve Project successfully delivered dieback mapping of the reserve and wildflower walk.

Work at Gooralong Brook is continuing with proposed woody weed removal already completed. Planting of 940 native seedlings was completed in September 2023 as part of RUOK Day celebrations. The event was supported by Landcare SJ and project partners NRM, Doral and Thomas Contracting.

Murdoch University and Landcare SJ are two of the partners in the 'Keep Carnaby's Flying' project. Over 11400 seedlings planted in a range of parks and reserves. A strategic plan for the Management of Black Cockatoos in the Shire was developed as part of the project.

Free Verge Plants delivered through the Australian Native Nursery in the first half of the 2023/24 financial year provided over 3,000 plants to the community. The program is ongoing SJ Shire and Landcare SJ initiative.

Landcare SJ has a strong working relationship with Iwatani Corporation's Doral operation. In the first half of 2023/24 Landcare SJ coordinated two weeks of hand-planting in Keysbrook to support mine site rehabilitation.

Planet Ark/Toyota National Tree Day event was held at the Byford and Districts Country Club.

Landcare SJ delivered a range of community workshops to over 70 people.

Black Cockatoo Project - Landcare SJ:

- **Has continued to produce and distribute Cockatube artificial nesting hollows.**
- **Hosted a Black Cockatoo workshop on November 15th 2023.**
- **Supported the revegetation component of the 'Keep Carnaby's Flying' Project.**
- **Supported the SJ Shire with the installation of two Cockitroughs.**

Landcare SJ completed a program to deliver environmental information to Equine properties to the Peel Harvey Catchment Group and supported Perth NRM in their successful state NRM project: 'Make your Hectare Count! Empowering Peri-Urban Landholders to Practice Regeneration'

VISION

To provide the means for the community to care for the land today in a way that will leave if better for tomorrow.

MISSION

To provide leadership to access, initiate and integrate the resources to enable community groups and individuals to manage the land, water and vegetation in a sustainable manner in partnership with government and other agencies.

VALUES

Our decisions, services and allocation of resources will be guided according to the following values: People are at the heart of all community matters and they are critical to our success. Respecting people, improving the quality of living, appreciating and supporting cultural difference and being good stewards of the land, air, water, flora and fauna.
